SCHEDULE 30 - PRODUCTS ASSOCIATED WITH THE REDD+ ENVIRONMENTAL EXCELLENCE STANDARD (ART-TREES)

1. Defined Terms

(a) **Approved Registry** means the Architecture for REDD+ Transactions (ART) Registry.

(b) **Asset Unit** means an instrument for The REDD+ Environmental Excellence Standard defined as an Emission Reduction and Removal (ART-TREES).

(c) **Participant's Market Registry Account** means the account in an Approved Registry that the Participant has exclusively dedicated for use in connection with the Market by exclusively authorizing Market Operator to transfer Asset Units to and from this account in accordance with these Market Rules.

(d) **Product** means a contract as further specified in the contract specification attached as an exhibit to this Schedule.

2. Settlement Arrangements

(a) Market Operator hereby waives the eligibility requirements of Market Rule 2.3 (a)(i) (requirement to be an account holder of a Registry Account with the Approved Registry) for Participants who wish to participate in an Auction of Products (in accordance with the applicable Auction Notice) or the Global Emissions Offsets for CORSIA Phase 1 (GEO-CP1) contract (in accordance with Schedule 31 of the Market Rules).

(b) Participants hereby confirm that the Market Operator is authorized to hold the Asset Units on their behalf in the Market Registry Account and that any instructions to transfer or retire/cancel (for the purposes of CORSIA) the Asset Units on their behalf will be provided to the Market Operator in writing by Participant's Designated Authorized Representatives in accordance with the Operating Procedures.

(c) Each Participant who instructs the Market Operator to retire/cancel (for the purposes of CORSIA) Asset Units held in their Participant's Market Registry Account hereby represents and warrants that:

i it has not, outside of the Approved Registry, retired, sold, claimed, represented elsewhere, or used to satisfy emission reduction targets or obligations in any jurisdiction, nor will it, outside of the Approved Registry, retire, sell, claim, represent elsewhere, or use to satisfy emission reduction targets or obligations in any jurisdiction, any of the greenhouse gas emission reductions or removals associated with the Product without reporting such disposition within the Approved Registry;

ii it will be the final beneficiary making the associated environmental claim, except where, to the extent permitted by the Approved Registry and subject to applicable law, the Participant instructs that the Retirement/Cancellation will be made such claim may be made by a person other than the Participant;

iii it has legal title and/or all beneficial ownership rights with respect to the Asset Units held in the Participant's Market Registry Account and no other person or entity can claim the right to the Asset Units; and

iv it does not have its Registry Account.

EXHIBIT 30A – ART-TREES Emission Reduction and Removal Spot Product

CONTRACT SPECIFICATION	
Description	The ART-TREES Emission Reduction and Removal (ART-TREES) Spot Product represents a standardized contract for immediate (“spot”) physical delivery of Asset Units issued in the Approved Registry. Asset Units acceptable for delivery are those having the attributes corresponding to the attributes specified in the Transaction.
